Directions to Gobind Sadan:

We are on the far south side of New Delhi. From Qutab Minar or the Airport, go to Andheria Morh. Proceed south briefly, past the turn to Chattarpur Temples. Take the next left, which is almost straight ahead, under a big sign to Centre for Development of Telematics. (The main road leading to Gurgaon curves to the right along the overhead Metro line — don't take that.) From this point, go ahead 4.5 kilometres until you see a police check post ahead. Turn to the right just before the check post. Take this small road as straight ahead as possible (there is one jog in the road in which you go right and then left around a farmhouse). Gobind Sadan's central community will then be on your left across a field. My office in the guesthouse is straight ahead, the last building on the right at the top of the hill.

By Bus:

Bus 519 stops at the corner of our road. It goes north to Safdarjung Hospital and All-India Institute of Medical Sciences.
